**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep our privacy private!

I have chosen Sonic as my internet company and have done so since the day they started. You cannot assist the big bullies coming out to stomp out our customer based internet company, where they have great service and care about the people that helped build them!

in an economic crunch for the little guy, we all need a break not a hike. Consider taking a hike with your ideas. Poor customer service is what the big guys provide. Allow Sonic to keep their customers enjoying the beautiful advantages that they provide without getting bullied from others.

I am a blind amputee that needs affordable providers. It is my connection to the world, my joy and life. My on this service.
